Curriculum: Overview BTEC H&SC

The Level 2 BTEC Tech Award in Health and Social Care gives learners the chance to develop sector specific knowledge and skills in a practical learning environment. The course covers three components entitled Human Lifespan Development, Health and Social Care Services and Values, and Health and Wellbeing. The first two components are assessed through internally marked assignments which are subject to external verification. The third component is assessed through an externally marked examination that pupils have to pass to gain the qualification.
